

Absolute Financial Protection.

Rynoh provides settlement agents with the necessary tools to track and manage their escrow accounts.

Designed by a Title Agent — For Title Agents.

Rynoh Bundle Benefits

The **Rynoh All-In-One Software Bundle** offers everything you need to streamline your financial operations. Enjoy automated escrow reconciliation to simplify complex processes, escheatment tools to ensure compliance with unclaimed property laws, and operational account management to keep daily transactions running smoothly. Plus, take advantage of our new advanced account verification features for enhanced security and accuracy.

- 👁 Monitor your escrow accounts continuously and ensure they are fully audited
- 🛡 Utilize anti-fraud algorithms to detect potential problems

We tell you what you need to know when you need to know it, and give you the luxury of **automatically generating reports** that allow you to manage and reconcile your accounts daily.

- 🔄 Automatically receive fully analyzed agent reconciliations
- 📋 Structure permissions and responsibilities based on your department's organization

Rethink Your Business Finances With Zero Guesswork.

Don't play games with your escrow accounting. Rynoh watches every account, every second — and tells you the moment something doesn't add up.

**Fraudulent Activity
Identification**

**Automated Daily
Reconciliation**

**Convenient & Smart
Reporting**

**Customizable Account
Alerts**

Endorsed across the industry.

Title Insurance Underwriters

National and regional title insurance underwriters, representing more than 90% of the market share, have tested, evaluated, endorsed and mandated the use of Rynoh to mitigate losses caused by agent escrow theft or the mishandling of settlement funds.

E&O Insurance Providers

E&O insurance providers recognize Rynoh as a reliable solution for deterring fraud, embezzlement, and accounting errors prompting many to offer Rynoh users rebates as long as they remain active customers.

Mortgage Lenders

For lenders, Rynoh will validate the integrity of the transaction from origination to closing.

Rynoh allows title insurance underwriters, lenders, and regulators to:

- ✓ Monitor the agent's escrow accounts continuously and ensure they are fully audited
- ✓ Access the agent's accounts remotely to review
- ✓ Improve business practices and increase profitability by structuring permissions and responsibilities to match corporate responsibilities
- ✓ Automatically receive fully analyzed agent reconciliations, using anti-fraud algorithms to detect potential problems
- ✓ Minimize financial losses due to fraud and agent defalcation, reducing personnel, audit, and travel costs
- ✓ Ensure regulatory compliance

Seamlessly integrates with your accounting software.

No new system to learn. Rynoh works alongside the software your team already uses every day.
